

Jugador.hh

```
graph TD; A[Jugador.hh] --> B[vector]; A --> C[iostream];
```

A diagram illustrating the inclusion of standard library headers in a C++ header file. At the top, a gray rectangular box labeled 'Jugador.hh' has two blue arrows pointing downwards to two white rectangular boxes. The left box is labeled 'vector' and the right box is labeled 'iostream'. This represents the code: #include <vector> and #include <iostream>.
